

THE ONLY CHOKE TUBE WRENCH YOU WILL EVER NEED.

This pocket sized tool is the most versatile choke wrench ever. It fits most brands and all gauges between .410 and 10 gauge. The hefty stainless steel blade is built to stand up to stuck-and-stubborn choke tubes and is housed in an over-built aluminum housing. It also sports a handy screwdriver blade perfect for adjusting scope turrets or making repairs.

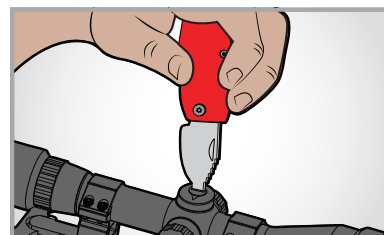

STAINLESS STEEL CHOKE TOOL

UNIVERSAL CHOKE TUBE WRENCH
