MAGNETIC BORE LIGHT

HANDS-FREE ILLUMINATION FOR HARD TO SEE AREAS.

Light your bore while keeping both hands on your gun. Our Magnetic Bore Light clings to your barrel or action so you can control your firearm with both hands and get a great view into your bore, chamber, or action.

MAGNETIC HIGH INTENSITY LED

WARNING: This product can expose you to chemicals including Nickel (Metallic), which is known to the state of California to cause cancer and birth defects or reproductive harm. For more information, go to www.P65Warnings.ca.gov.
